

**Installation instructions for  
Rear Set Aprilia RSV4 Factory/R, APRC ABS  
2013-2017  
Part nr. 512F**

We would like to thank you for purchasing PP Tuning rear sets. Please take a moment to read the assembly instructions. Following these instructions will ensure trouble free operation of this product and extend its working life.

**Left side installation**

Remove the original rear set and mount the PP rear set as shown in picture No.1. Location of rear set and quick-shifter is the same to the original rear set.

**Right side installation**  
Right side is different from serial version in assembly of brake pump. Is necessary turn brake pump about 180° (see photo 2.+3.)
